Mahler Seminar Slides for Exam C

These are slides that Howard Mahler has presented at a seminar or weekly class. Also included are sections of important ideas and formulas. Totals about 1600 pages.

The entire syllabus of Exam C is covered.

This provides another way to study the material. Some of you will find it helpful to go through a few sections at a time, either alone or with a someone else, pausing to do each of the problems included. Estimated time to go through all of the slides is about 40 hours.

All the material, problems, and solutions are in Mahler’s Guides to Exam C, sold separately. These slides are a useful supplement to this study guide, but are self-contained.

Author Biography:

Howard C. Mahler is a Fellow of the Casualty Actuarial Society, and a Member of the American Academy of Actuaries. He has taught actuarial exam seminars and published study guides since 1994.

He spent over 20 years in the insurance industry, the last 15 as Vice President and Actuary at the Workers' Compensation Rating and Inspection Bureau of Massachusetts. He has published many major research papers and won the 1987 CAS Dorweiler prize. He served 12 years on the CAS Examination Committee including three years as head of the whole committee (1990-1993).

Mr. Mahler has taught live seminars and/or classes for Exam C, Exam MFE, CAS Exam S, CAS Exam 5, and CAS Exam 8. He has written study guides for all of the above.
