

Exam FAM and Mahler STAM Practice Exams

The last sitting of former Exam STAM was given in July 2002.

In Fall 2022, the SOA started giving new Exam Fundamentals of Actuarial Science (FAM).

Up to the July 2024 sitting, candidates can write FAM-S or FAM-L.

FAM-S (short-term) covers material formerly covered on Exam STAM.

About half of the material formerly on STAM is on FAM and FAM-S.

For those who have the Mahler Practice Exams for STAM, here is a list of questions on FAM and FAM-S.
